

BUILDING BETTER COMMUNITIES THROUGH THE ARTS

SUMMER 2015 - ARTHOUSE ART IN THE GARDENS WITH THE THE REGION OF HALTON, COMMUNITY DEVELOPMENT HALTON, HALTON FOOD COUNCIL AND THREE WONDERFUL ARTS INSTRUCTORS

It's a green and perfect summer and what two better locations to make it all happen than Oakville's Margaret and Maurice Drive and Burlington's Walkers Fields!! We thank so many; the Region of Halton and our special partnership with Halton Community Housing Corporation and the children and their families living in both of these wonderful communities. And as we head into a new Season of Arts and Garden Education thanks to Instructors from Oakville Galleries, the Burlington Art Gallery and our partners; the Halton Food Council and Community Development Halton, our Summer Programs will include everything from arts projects, new custom signage created by our children, to the freshest salads on the planet!! And with more garden boxes thanks to the generosity of RONA, the growing season will end with an abundance of healthy foods for all of our community families to share.

The sign is up at M and M thanks to our children, Peter Van Sickle, Mike Mikulak and OG Instructors Katelin Ferry and Julia Salerno

Smiles abound with a flourishing garden as Children, Katelin, Julia and ArtHouse Program Manager Gemma Hagerman celebrate success

How will their Garden Grow?!!

Thank you Jerry Overboom and RONA for all of the materials for Walkers Fields

It's a "Sign of the Times" at Walkers Fields
